An Empirical study on Attainment in Mathematics at High School Leaving Certificate Examination

Sujata Borthakur
Department of Mathematics, Nazira College, Sivasagar, India

Abstract: The paper attempts to analyze the results of high school leaving certificate examination, Sivasagar, India, to find out gender difference if any, in attainment in mathematics, level of achievement in the subject in compared to other subjects. List of schools registered under Secondary Education Board of Assam of Sivasagar district is collected from the official record of Government education department. The classification criteria of schools are done on the basis of management of the schools.
