1. EXECUTIVE SUMMARY

1.1 INTRODUCTION

Nazira College is one of the leading premier higher education institute of Nazira Sub-division, District Sivasagar, Assam. It is located in an of Nazira Town at a distance 20 of kms. from district head quarter Sibsagar(Now Sivasagar). The College, affiliated to Dibrugarh University, Dibrugarh, Assam, was established in 16th December, 1981. Syed Misbaul Islam was the founder principal of the college. Sjt. Awani Borthakur was the first permanent principal of the college and under the able leadership of Syed Mubidul Islam, the college was brought under deficit system of Grants - in -Aid w.e.f.11.01.1996, and it also had been included under Section 12(B) nad 2(f) of UGC Act 1956. It is an Arts College. The college has left no stone unturned to provide quality education to students since establishment. The college has the capacity to enroll 1200 students. The college has attained a pride place amongst the higher education institutions in upper Assam. The college is well aware of the protection and conservation of environment. The college shows its interest towards community participation in environmental sustainability by organising different environment related programmes in nereby village of the college. The college has maintained a very close relationship with the local community. As a part of social responsibility, the college has been providing different training programmes to local communities, environmental awareness, women related issues, health camp, voters day etc. since its establishment. The NAAC Peer Team visited on 11th and 12th October, 2004 and revisited on 20 to 22nd December, 2010 and award 'C' Plus Grade and 'C' Grade respectively. Since the Cycle two, Assesment and Accreditation by NAAC in 2010 the college has been able to trace its shortfalls with regard to the benchmarks presupposed for a Higher Education Institution and consequently the preceding years have witnessed recordable compliances with the suggestions put forward by the Cycle - 2 NAAC Peer team. The college performs different collaborative activities in different areas like education, academic exchange programmes, financial awareness, healthn camp, disaster management with the institutes like Local Administrative, State Bank of India, Local Hospitals etc.

Vision

The prime vision of the Nazira College is to provide quality education and guidance to the students to enable them to cope up with the challenges of the new millenium. It is committed to the deliver quality teaching and sound guidance to enable the diverse students community to realise and utilise their potential and creativity.

Mission

To fulfill the vision, students are sensitized to their roles and responsibility towards society as well as themselves through self discipline, developing creativity and good academic performance. Both of the undergraduate programme and higher secondary programme promote the knowledge of the students in academic excellence, motivate the students towards human values like honesty of service, integrity of character, fruitfulness, tolerance of other faiths, liberal outlook that creat awareness to a new consciousness and a sense of self-introspection among them.

The college inculcate responsibility through extension activities like NSS, NCC, Scout & Guide and Academic inputs, Co-curricular and extra -curricular activities, social awareness programmes to enable students to perform well in the examination, games and sports and community oriented extension activities etc.

Teachers are encouraged to participate in Refresher course, Orientation Course, Seminars and Workshops for faculty development . The college organizes seminars, special talks, career guidance and counselling sessions and workshops for the academic enrichment.

The office staff and other stake holders also participate in extension activities of the college such as social awareness programme, cultural activities, ceremonial function on establishment day, college week, traditional functions etc.

The college has introduced skill based Bachelor of Vocation (B. Voc.) Degree Programme to align higher education with the emerging needs of the economy so as to ensure that the graduates of higher education system have adequate knowledge and skills for employment and entrepreneurship. The study center of KKHSOU at the college takes a major role in developing study habits among disadvantaged but eager learners to educate and enlighten them.

1.2 Strength, Weakness, Opportunity and Challenges(SWOC)

Institutional Strength

Institutional Strength:

Strength of the college:

- The Nazira college is located in the Sub-divisional headquarter. So student of different area can easily communicate with college. It can attract students from different parts of the state.
- Availability of Solar Energy Facilities in the Campus.
- The college promotes enthusiastic students.
- Participation for social activities through the NSS programme etc.
- The college is well connected by roads and railways.
- The college has been producing university rank holders continuously.
- The college has been producing talented sports persons at district, state and national levels.
- Book Bank facility to the poor students is one of the positive dimensions to be highlighted.
- Growth of online programme is satisfactory in the college. There is strong bond between Students and Teachers, a high level of interaction between faculty and students.
- Wi-Fi & internet facility for faculty and students in the college campus
- The college develops in the field of ICT & Video conferencing.
- The college has opened Digital financial transaction.
- Class rooms are well equipped with having digital and projector & smart board
- Remedial classes for intellectual enrichment of exceptional students
- Medical first-Aid facilities for faculty and students.
- Support service for disable students.
- Educational opportunities of B.Voc. in IT and fashion designing.
- Teacher exchange programme from local higher education institutional for quality education.

The college has adopted a model village. The college has supported the village in the area of education, health, women empowerment, cleanliness, skill development etc.

Institutional Weakness

- **Weakness of the College:**

- Research culture among the teachers and students need to be further augmented through new projects and collaborations with esteemed research institutions.
- The college needs to strengthen the Alumni Association subject to new innovative projects initiatives and extension of members. However, the association has been shown interest for the same.
- Vocational courses need to be introduced extensively. However, vocational courses have been introduced Information Technology and Fashion Designing.
- Lack of Boys' hostel. The intake capacity of the Girls' hostel is limited. Therefore, the intake capacity needs to be increased.
- As the college has only Arts Stream, therefore, very few agencies have shown interest to arrange Campus interviews. The institution is planning to arrange some campus interviews for the students through its placement cells in the coming years.
- Absence of health unit within the campus. However, proper First Aid facilities and separate health care.
- Collaboration with industry, non-government organisations and reputed research centres to be further strengthened. The college is planning to develop some new strategy to strength the linkage with industry, NGOs and research institutions in the coming years.
- As, most of the students of the college are from BPL families and therefore, it increases the risk of dropout students. It also creates a bad impact on the overall result of the college.
- PG courses yet to be implemented in regular mode. However, some PG courses have been introduced in distance mode under Dibrugarh University and KKHOSU
- Diploma courses, Short-term courses of different professions need to be introduced through different mode i.e., regular and distance.
- Poor financial condition to support college wants.
- Some faculty are servicing as contractual basis.
- Rate of enrollment is declining in the Department of Economic, Mathematics

and Statistics.

- The college Library cannot offer enough fertile intellectual climates to support academic enrichment for faculty and students.
- The college has not enough Boy's and Girl's hostel.

Institutional Opportunity

Institutional opportunities:

- There is scope for inter-disciplinary research among the departments. Recently the college has planned to introduce some inter-disciplinary research work in the areas like Economic History of Ahom Kingdom (Economics & History), Entrepreneurship and Academy (Geography & Economics) etc.
- Lots of scope for opening vocational courses or skill based courses. Ample scope for Courses like Rural

Tourism management (Diploma), Entrepreneurship Development (Diploma), Diploma in Te Tourism etc.

- The college has situated in the place of historical importance and different types of ethnic villages are situated in the localities of the college. Therefore, opening of courses like rural tourism management will definitely help the students to engage themselves in tourism sector. Recently, most of the passed out students of the college start entrepreneurship in organic tea and they are the leading organic tea exporter of Assam.
- The college has the opportunities to open courses in entrepreneurship mainly in organic tea and green tea sectors.
- Ample opportunity to collaborate with industry. The college can undertake some collaborative works in the area of social development with ONGC Assam asset, Nazira.

Institutional Challenge

- Scarcity of highly meritorious students. The meritorious students of the locality prefer to go outside colleges or urban based colleges.
- Economic backwardness among student. Most of the students of the college are from BPL families. It obstructs them from availing higher education.
 - The workload of teachers in some departments like Geography and English is very high due to lack of sanctioned posts of teachers.
 - Consistency of results needs to be maintained.
 - Limited career opportunity
- Lack of transparency
- Conservative society
- Women education
- Less scope for all round development
- Lack of career guidance
- Student unawareness about career

4. Quality Indicator Framework(QIF)

Criterion 1 - Curricular Aspects

1.1 Curricular Planning and Implementation

1.1.1 The Institution ensures effective curriculum delivery through a well planned and documented process

Response:

1.1.1

The Nazira college, being an affiliated college of Dibrugarh university, follows the curriculum designed and developed by the Dibrugarh University. The College draws action plans for effective curriculum delivery at the start of every session. The college prepares also its own academic calendar in conformity with the affiliating university with an active participation of teachers. It includes detailed plans for the sessional examination, seminars, timely evaluation of answer scripts, group discussions, etc. The HODs monitors daily classes and weekly progress report. HODs meetings are held before commencement of every session. The College routine for B.A.(Arts), B.Voc(IT) and B.Voc(FD) and PGDCA is prepared by the Routine committee and later a well prepared routine is disseminated among the students. Thereafter each department prepares the departmental routine for allotment of classes among teachers. For effective implementation of the curriculum, HODs of the college conduct their departmental meetings with the faculty members and develop academic teaching plans for the coming academic session. Each Department formulates its own action plan, course plan and also prepares teaching plan, teaching methods and discuss it among its faculty members. Apart from regular classes, tutorials or extra classes are taken to help slow learners. Study materials are supplied for effective curriculum delivery. Class room instructions are also delivered through power point presentations to make the classes interactive and lively. Group discussion and paper presentations are organized in all the Departments. Apart from these, educational tours, field studies, interdisciplinary competitions, national seminars are organized by the college where teachers as well as students take part and present papers. An annual prize money state level quiz competition has also been regularly organized in the college. Moreover, three departments have been publishing annual magazines and all departments display wall magazine with an active participation of students. Computer training course is included in the course curriculums as a part of skill development course for the third Semester students. For the further progression of students, the college conducts different programmes on career counseling. Academic diary is maintained by each teacher and academic audit is conducted. Students feedbacks are collected, analysed and actions are taken to improve upon the problems if any.

1.1.2 The institution adheres to the academic calendar including for the conduct of CIE

Response:

1.1.2 The college adheres to the academic calendar for transmission of continuous internal evaluation systems as per the guideline of Dibrugarh University. Since 2019, choice-based credit system courses has been introduced. Academic calendar of the college is prepared providing information in details regarding the commencement of the examination, schedules of internal exams, etc. and distributed well in advance. The schedule of the classes, dates of the term-end examination, extracurricular activities etc are specified in the academic calendar which is posted in college website, and in the departmental whatsapp groups well in advance and time tables are prepared and implemented accordingly. The teachers prepare teaching plans by proper distribution of syllabus according to the academic calendar. Mentoring activities like individual interaction between Faculty Mentors and Student Mentees are done for improvement of the students. The final year students of few departments have Project work also. This project paper is guided by the teachers of the department, where the respective departments select topics from their syllabus. The students then collect materials from their guide, by field visit,visiting libraries and through internet surfing. The objective of the project is to augment their critical thinking, analytical skills, and collaborative learning skills.Moreover, teachers attend the workshops and seminars to update their knowledge and disseminate them among students.

1.3 Curriculum Enrichment

1.3.1 Institution integrates crosscutting issues relevant to Professional Ethics ,Gender, Human Values ,Environment and Sustainability into the Curriculum

Response:

1.3.1- The Institution believes that integrating cross cutting issues with the curriculum would create positive effect on the students in terms of their education and societal commitment so the college tries its best to promote and propagates the social values ,ethics and human values and to address the issues of environmental sustainability through curriculum delivery, extracurricular activities and cultural activities.

Environment and sustainability related courses are integrated in B.A 3rd semester in Geography,third semester in Economics. Environmental Science is taught in all programmes as a compulsory subject in fourth semester. Moreover ,Environment Day' is observed , 'tree plantation' and 'Clean India- Swachh Bharat Campaign' are the popular drives which also provides a chance to the students to interact with the local people, to understand the local structure and environment . It also creates awareness among the students ,common people to protect environment and ecological balance.

The department of political science offers courses on Human rights in sixth semester and has organized street plays on Voters Day . Department of education offers courses on education technology in sixth semester and Mental Health in third semester. The institute believes in creating a space where each individual is treated equally and with respect. The institute holds seminars on gender issues which not only makes the students aware of the atrocities against women in the society but also helps them understand gender issues in the light of gender spectrum. Institute has about 54.81% of girl students in overall student population. Faculty/Staff population is also well balanced with both genders. The college provides a gender friendly environment. Girls NCC, Girls Cell are introduced in the college .

2.3 Teaching- Learning Process

2.3.1 Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences
<p>Response:</p> <p>The mission and vision clearly states that the entire process of the college is student- oriented and try to focus on their overall development. The IQAC encourages teachers to organize and participate in the innovative teaching methodologies.</p> <p>Experimental learning:</p> <p>Each department encourages students to get an experience of what they are exactly studying in the book. Students of Education Department undertake practice teaching sessions through Micro teaching and Macro teaching and do take part in Psychological laboratory practical, field study, project work and visits to Blind School for Baillie writings in education. Students of Geography perform laboratory practical and project work. The 5th sem and 6th general courses' students prepare field report on tourism and travel management. Experimental learning is practised in the departments of Fashion Designing and Information Technology. Department of English downloads the prescribed drama and show them to the students to generate their interest and enhance interpretative faculty as a part of this mode of teaching. Department of Assamese uses audio visual aids and provide recorded and live lectures of the author.</p> <p>Participative Learning: This type of learning is clearly visible in the actual learning process of our college where students participate actively. Participatory learning activities like presentation of seminars, group discussion, project work, collection of information from reference book, journals, and informations from internet is widely used. The seminar and group discussion method, in which students themselves are guided to present topics for the class is also well undertaken. Extension activities such as NSS, NCC and Ranger Team activities are also geared up. The student of education, geography and history departments undertake practical and project work as a part of their Course work. The students of Political Science department visits autumn Assam Lesislative Assembly in progress and observe National Voter's Day every year. Department of Mathematics, Education and the Central Library observe national Mathematics Day, International Literacy Day, national girls' child day organised by education department, Earth day, World Population Day organised by Economics department, and National Librarian's Day is observed by</p>

Central library of the college.

Problem solving methods:

Our unique aim is to help the students to fulfill their intellectual and personal potential in a way that significantly contributes to each and every role they play in society. Apart from class seminars the teachers also engage the students in limited tutorial classes, which gives an opportunity for mutual interaction between teachers and students. Such academic counseling is helpful to the students for all round personality development and makes clear understanding of academic concept and develops their problem solving ability. Sometimes Teachers, provide financial help to the economically weaker students in their pursuance of academic career. The central library of our college provides more books, news paper, journals, internet facilities, many recently edited books to meet the present demand. Each department gives opportunities to display their enhancement of knowledge by departmental journals, wall magazines and educational tour etc. Each departmental library of the college provides references books, journals and previous question papers.

2.3.2 Teachers use ICT enabled tools for effective teaching-learning process.

Response:

2.3.2

Response:

The college has issued separate Laptop/PC to each department. The college campus has installed separate Wi-Fi unit for the students inside the campus. Further it has computer lab with internal LAN. Broadband Leased Line Internet connection is highly useful to make functional all the above devices speedily. All the teaching faculty are familiar with the latest ICT tools such as 'YouTube', for collecting data and information, 'Google meet', 'Zoom Class', for online live sessions, use 'Test moz' to create an online test and objective evaluation, use 'Word Press' for creating and publishing WebPages, using 'Cam scanner' for scene self study materials. Each department has created 'Whatsapp' group to have speedy communication with students. Department of English and Assamese regularly use film screening, showing video recording of the prescribed novels, drama, poems and short story. Department of sociology, Political science, History, Statistics and Fashion Designing effectively removes confusion in the theoretical classroom teaching through the YouTube videos related to the course.

To keep abreast with the present day changing scenario, the students and teachers are oriented towards the College Central Library, the state of the art e- resources. The available access opportunities are

DELNET, UGC INFLIBNET's N List , NDLI etc. The College Central library has created its Institutional Digital Repository with Manuscripts, Question Bank, Research outputs, Magazines etc. Our library is the first member holder of NDLI Club in entire North Eastern Region. The lectures of teachers and students through PPT are uploaded in the library in D Space. The Mobile Library Service, Oral History on Sivasagar District, Book supply to the inmates of Sivasagar District Central Jail, Helping hands towards the differently abled people of the community are some of the best practices of our Central Library.

The IQAC motivates teachers and students to attend seminars, workshops, and training programmes related to ICT use in teaching-learning process. The college "ICT Management Team" has controlled all the functions related to ICT and demonstrates practicality to strengthen the knowledge of faculties as well as students. Department of Mathematics and Economics jointly organized a national level workshop on 'Role of ICT in higher education in the global context' in collaboration with centre for computer studies, Dibrugarh University. The 6th sem students of Education department prepared project on "Use of ICT in teaching learning process during the COVID-19 Lock down period by the teachers of High school and Higher Secondary level", for its necessity in their university final exam. ICT resources in the college helped our teacher to be digitally literate and understand how to integrate it into the curriculum. Through being digitally literate and trained to use ICT, our teacher contributes quality teaching- learning. More efficient Teaching -learning management are use such as smart board in place of chalkboard, using students' own smart phone for learning during class time.

2.5 Evaluation Process and Reforms

2.5.1 Mechanism of internal assessment is transparent and robust in terms of frequency and mode

Response:

2.5.1

Response:

With regular interaction of IQAC, Heads of the departments and examination committee, plan and work out reforms in evaluation system.

The internal evaluation system is decentralized in order to make it more transparent and objective.

The examination committee monitors and conducts internal examination.

Conducted Google classroom and online test during lockdown in pandemic time.

The college conducts sessional examination, seminar and group discussion. The evaluated answer scripts are distributed to the students for their verification of knowledge and to evaluate their strength and weakness.

To ensure the standard evaluation process the evaluated answer scripts are scrutinised by the head of the department. The sample answer scripts are maintained properly.

As per the academic calendar, tentative scheduled is prepared and marks are displayed on the notice board, whatsapp group or announced to the students in the classes.

Department of education, geography, history and economics also assess the learning levels of the students by assigning them through some projects and field works.

The absentees in the internal test are given an opportunity to appear at the exam with the approval of head of the department, if they have valid reasons.

The marks are entered in the departmental mark entry register.

Some departments arrange students-parents-teachers meet in which their performance is discussed.

The training and placement cell organizes personality development programmes and imparts training to the students upon improving behavioral aspects, soft skills and communication skills.

The departments with a small number of students conduct more tests.

Question papers for all tests and assignments are linked with course outcome (COs). Students are provided with question papers for all tests and assignment linked with all (Cos) in the beginning of the semester.

.To encourage students in co-curricular activities, extra marks are assigned who successfully complete NSS, NCC camps, outstanding performance in cultural activities and other activities conducted by the

university.

We have planned to introduce new mechanism like open book evaluation and Peer Evaluation system from the next session.

2.5.2 Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

Response:

2.5.2. Mechanism to deal with internal examination related grievances is transparent, time bound and efficient

Response: The mechanisms are:

.Evaluation at the college:

IQAC constantly work on the student centric activities. It interacts with exam committee and the students. The Academic Calendar is displayed on the college notice board and on college website for all stakeholder in induction program. The Principal briefs the examination-evaluation system and how the COs, POs and PSOs can be attained at the beginning of the session. The college conducts tutorial, home assignments, seminars, group discussion, project etc. to assess the performance of students. The college exam committee executes its internal exam in a very meticulous manner. New term and marking system CGPA and CBCS pattern is elaborated to the students initially. To deal with any grievance or complaint regarding any examination at the college level, the faculty and the related committee solve the grievances of students as per rules and regulations. With regards to complaint/grievance related with University exams, the college forwards the application in prescribed format to higher authorities. In such cases after paying fee re-totalling and copy is shown to the students. Teachers of the concerned departments clarify any point raised by any student regarding evaluation of unit tests, sessional exam. However, internal supervisors an internal flying squad are deputed for smooth conduct of the exams. If any grievance occurs, he/she needs to apply to the exam committee. At initial level, committee holds discussion with the concerned teacher and solves issue at this primary level. Internal exam marks of the student are displayed on the notice board and in whatsapp group and queries are discussed with them to their satisfaction. Each teacher prepares himself/herself keeping in mind the ethical values of the institute and academic integrity. Discussion in open system in the classroom is the best way to deal with the grievances and complains related to internal evaluation system. Peer group answer script evaluation process is more transparent and robust. The unit test and pre semester answer books are shown to the students on a scheduled day after assessment. The students go through the answer books and know their performance in terms of strength of their studies. All grievances regarding internal examination is transparent, time bound and efficient

.Evaluation at the university level:

Students can apply for review of answer scripts to The Controller of Examination, Dibrugarh University by filling inprescribed application forwarded by the Principal within 45 days from the declaration of University results. After reviewing, a copy of new mark-sheet is sent to the college from where student can collect it. If students are not satisfied with the revaluation results, they can apply directly to the Controller of Examination, Dibrugarh University for answer script re-check through RTI Act.

2.6 Student Performance and Learning Outcomes**2.6.1 Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.****Response:**

2.6.1

Response:

The Mission of the College clearly states the approach of the college towards the holistic development of students. There are three programmes in the college viz. B.A(Arts), B.Vocoyrses in Information Technology andB.Voc Courses in Fashion Designing. Beside these three courses, two study centres i.e. Nazira College Study Centre under Krishna Kanta Handique State Open University is running and Syed Abdul Malik Study Centre was continued up to 2018. The college always emphasizes on the productivity of the students. All courses outcomes have been prepared very meticulously by discussing with all stakeholders and displayed to the visibility of each student and teacher, and on college website. During the interaction with the students and class committee meetings, the course objectives and outcomes are discussed and monitored by the Head of the Department and the Principal. All the departments put up the mission and vision on the flex board displayed in their departments. The final results are displayed on the website of affiliating university and college display its final exam report on college website notice board by the Principal every year.

Mechanism of communication:

Learning outcomes is an integral part of college missions, visions and objectives. Each course has well defined course objectives and course outcomes prescribed in Dibrugarh University syllabus. As per guidelines of affiliating university, from the academic session 2011 onwards the continuous evaluation for general course comprises of two sessional exams and one final exam in an academic session following the time schedule mentioned in the academic calendar. From the academic session of June,2019 onwards CBCS is introduced by the affiliating university and a continuous evaluation is followed including

sessional exams. Apart from this, each department conduct class test, surprise tests.

The learning outcomes are communicated through various means like college prospectus, Principal's welcome address to fresher's students and parents, alumni meets, college magazines, departmental journals, central library and other publications of conferences and seminars. The progress and performance of the students is communicated in the classroom by the teachers and parents are informed if the performance is very poor in departmental sessional exam. Teachers actively participate in workshops, seminars on revised syllabus, reconstructing curriculum sponsored by affiliating university. The teachers of Education Department have well experiences on Blooms Taxonomy which is very useful in achieving learning objectives. Teachers of every department interact with the students about the course outcome. Well established and successful alumni students are invited to interact with both students and teachers at specific events. They share their experiences how different courses shaped their life and careers. Discussion is made with IQAC meeting on course outcome which are later informed at departmental level to the teachers as well as students. The college organizes Career counseling and capability enhancement programmes to communicate the learning objectives.

2.6.2 Attainment of programme outcomes and course outcomes are evaluated by the institution.

Response:

2.6.2

Response:

The College authority always emphasizes on the output of students and directs IQAC to execute it properly. There are three programmes in the college viz. B.A.(Arts), two vocational courses B.Voc(I.T) and B.Voc(Fashion Designing). The programme outcomes, programme specific outcomes and course outcomes are presented before the faculty members, library, and administrative staff and are analyzed and evaluated. The findings of these analysis reports are acted upon by the teachers, HoDs, the Vice-Principal and the Academic in-Charge. Efforts are taken so that the objectives of the programmes and courses are attained by the students, teachers, parents and the college as a whole.

Summary of Programme Outcome:

The College provides subject related, value added and vocational educational courses to inculcate the actual outcomes at the end of the course and extend these through their life. Lectures and programmes on competitive exam, career counseling and soft skills are playing important role in the overall development of the students. To estimate the outcomes of the above programmes, each activity is pre-planned.

Employability Enhancement Programme has been conducted in collaboration with Kaziranga University, TechMohindra and Tea Garden management of nearby tea gardens. Further, UGC has sponsored “Syed Abdul Mallik” literary study centre which was continued up to 2018, help to attain the outcomes.

Summary of Programme Specific Outcome:

Programme specific outcomes are measured through both academic and non-academic performances of the students. The performances of the students in the internal and external exam, in the practical and assignments, participation in the class activities, role in the departmental activities, are some of the means by which specific outcomes are measured. Students are also encouraged to participate in competitions, seminars, workshop, conferences, projects, practicals, field study etc. Their performance within and outside the college in the various academic events provides another index of their learning levels. The College takes various efforts to develop the cultural awareness, understanding ethical practice and to develop the knowledge of design. Programmes like fresher’s welcome, farewell of students, teachers’ Day celebration, new year day celebration, Swaraswati puja, students’ union Election, blood donation, flood relief camp, and participation of other outside programme where students participate actively. Departmental forums propagate the various activities such as wall magazine, departmental journal, educational trips etc. The college annually publishes college magazine in which students express their creative thinking, through writings. Students participate in Annual sports, cultural rally, mock poll, International days celebrations on different themes, Career counselling etc.

Summary of Course Outcome:

Course outcomes are measured through the performances of the students in the class, practical, projects, internal evaluation and external evaluation. The result of the college is evaluated in the annual report of the college by the Principal every year. Debates, seminars, group discussion among the students are organized to explore new ideas. Speech of eminent personalities on contemporary issues is organized to explore new ideas and thought.

4.2 Library as a Learning Resource**4.2.1 Library is automated using Integrated Library Management System (ILMS)****Response:****Response:**

The Nazira College Central library is situated at a place which is easily accessible by all the students, teachers and staff. The library practices open access. The library staff also assist the differently abled persons in getting his/her required information or book. Our library is well equipped with modern Information Communication Technologies (ICT) and upgrades to meet the challenging state of the art to satisfy the users diversified strong demands. The journey of the library automation was started after attending 5 days workshop on SOUL 1.0 (24.3.2008 to 28.03.2008) at UGC-INFLIBNET Centre, Gujarat. We have started library automation in the month of Aril 2008 with SOUL.1.0. and from 2011 we are using SOUL 2.0 with the Activation Key : M-L8U-XSUY-3BLJ-591M. The library automation is going on with 15568 records. Bar-coding of books are almost completed and issue -return service, users' attendance are recorded applying the library software started from this year. The bonafied users can search their required information in OPAC and Web OPAC through remote access within the college campus. The digital repository Service is done applying DSpace open source software (IP:http://169.254.63.105:8080/nclib/).

The Nazira College Central Library is an academic library and its collection is mainly focuses on the course-oriented textbooks as well as the reference books periodicals and newspapers. Besides the twelve main subjects, general knowledge, environment, music, career, employment opportunities, library and information science, management, positive attitude, biography, autobiography, worlds best seller books, etc. are collected and displayed for creating reading habit amongst the library user community. There are

12 “Readers Club” of the library. A Best Library User Award is provided amongst the students to attract them.

There are 4 hardcopies manuscripts and 46 softcopies manuscripts preserved digitally. Those are available in our digital repository.

Apart from the college community, the library service is extended to the senior citizens, cancer patients, differently abled people of the community through “Nazira College Mobile Library” project . The mobile library extension services can be viewed through its separate website <https://ncmobilelibrary.wordpress.com> . The books are carried to such user’s doorsteps after the college hours and in holidays. More than 400 inmates of the Sivasagar District Central Jail are benefited by reading our books. There are “Nazira College Ward Libraries” are established in every wards (10) to create reading habit. Librarians Day is observed in rural libraries as well as in nearby High and Higher Secondary schools. More than 450 physically challenged people of the area are provided information through the “ Satirtha” social media. The oral histories are collected in both audio and VDO formats from different eminent resource persons of their concerned fields covering the whole district under the “Oral History on Sivasagar” for research. Those records are published in local dailies periodically. Some legend rare data, information and documents are kept digitally.

The Library uses the following Library Management Systems.

- *Name of the ILMS software:* SOUL and DSpace
- *Nature of automation (fully or partially):* Fully
- *Version:*2.0

4.4.2 There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.**Response:**

The institute has a systematic mechanism for maintenance all the facilities. Some of them are maintained by external agencies on demand. At college level, there are different committees to monitor for the smooth functioning of the college.

Policy for Physical, Academic and Support facilities : The college has enough space to accommodate all the requirements. Internal cleaning of the college building is equally distributed among all the supportive staff. At primary level, solar lamps are installed on the campus. Sanitary Napkin Vending Machine with destroyer is also set up in the college which is sponsored by the ONGC, Nazira. Furniture if any, damaged is replaced by new ones. We have 17 classrooms. The college has its own canteen and offered on annual contract basis which provides quality food items at affordable rates and Canteen Committee regularly alters its rate and gives specific instructions for better hygienic and quality food.

Maintenance and utilization of Library:

Library has a strong advisory committee chaired by the Principal to monitor the smooth and effective functioning of all the services provided. It bears various responsibilities like purchase of books, journals and periodicals etc. The matters relating to library service improvements and any addition or deletion of services are discussed as well as decide in the committee meetings. The Library provides open access for all users. It provides book bank facility. Librarian collects the list of books from all concerned departments before purchase new books. Online access to e-books and e-journals is provided through INFLIBNET's N-LIST, DELNET and NDLI. The library is under **Closed-circuit television (CCTV)** surveillance. The Central library with its limited library staff always tries to provide best information and resources on diversified fields of knowledge acquisition applying Total Quality Management (TQM).

Maintenance and utilization of computers: There are total 52 desktops and 10 laptops in the college. Maintenance of computer is done regularly as per the requirement. Un-interrupted power back up is provided to the computers to use them optimally. Broadband,Wi-Fi units are also set up in the college. LAN and internet connectivity is regularly tested. LCD projectors are also upgraded by time to time. The college website is updated regularly.

Maintenance and utilization of Sport Complex: We have large play-ground attached to the college campus which is maintained regularly. The college organizes sports competitions, NCC and NSS camps at District level and Zonal level. Students of the college regularly participate at University, State and National level sports completions.

Extra-Curricular Activities: There is an ample scope for cultural and other extra- curricular activities in the college. The teachers of the college motivate the student community to participate such events at various levels. There are various musical instruments for cultural activities. Renowned experts are invited to train the students from all over the state in diversified fields like music, art, mime, drama, recitation, sports etc. regularly to train and motivate the young stars.

5.3.2 Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

Response:

5.3.2

The college emphasize on the active participation of students in different activities . So enough representation is given in the co-curricular, extracurricular activities of the college. Students represent themselves and contribute their active participation ranging from the syllabus framing to extension activities. Students are active members in Student Union, Departmental Associations, Library committee, Sports Committee, NSS Advisory Committee, Magazine Editorial Board, Anti-Ragging Committee and various other forums and play a significant role in the decision making process. Student's Union is set up by the annual election. It consists of the elected students from all areas of the college. These students regularly suggest to upgrade the image of the college in the society. The college convinces the students that it's an opportunity to develop their overall personality. The Student Union plays very significant role by providing proper feedback of all the students to the institution. The process of admission, exam form submission, scholarship forms is smoothly conducted with the student friendly relations of the institution.

Co-curricular and Extracurricular Activity Participation - There are specific committees such NSS, NCC, Cultural Activities, Sarwasiti puja, independence day programme etc. in which not only students' Union but majority of the students are involved and actively participated. NSS activities like workshop, rally, or any social event like book fair organized by ssubdivisional office, our students actively involved in the successful completion of the event. NSS camp planning and execution can be the best example of student's involvement in our college. Simultaneously, students of the NCC ,NSS unit engaged themselves in Swasa bharaat programm, beautification of the college. With the help of Student Union sports and cultural events and competitions, tree plantations in the college premises and also in the town are organized in the college. It only happened due to the free representation of our students.

5.4 Alumni Engagement**5.4.1 There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services****Response:****5.4.1**

There is a non-registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services. The college has alumni association since its inception. The college organize at least one alumni's meet in a year, the local and outsider alumni take initiative for arranging such meetings. The alumni of the college are placed in industries, education, business, professional fields, entertainment and media industry, academics and social work. Two of our teachers are the members of the alumni association who play a key-role in binding this group for the development of the college and works for the overall development of students. It helps our institution not just financially, but in terms of academic planning, internship and placements of students, career guidance and on-the-job guidance in their firms also. Most of the alumnae are teachers who are called as resource persons to deliver expert talks during seminars, conferences and workshops. Alumni members are the active members in IQAC, and Fund raising/Donation Committee etc. Financial contribution of the Alumni Association for the development of the college is very notable. More than One lakhs rupees have been donated by the alumnae. They help also to collect the fund for the extension of college building and for beatification of the college campus. It also came forward to help the economically weaker students to pursue their education by providing financial help. Alumni students who joined the government services or successful entrepreneurs are invited to guide the existing students. We are quiet fortunate to have the expert tutors are our alumni students for add on and skill based courses. They also guide the present

students in preparation of various cultural events for youth festival. 'Alumnae NSS student help the college in organizing the special camps at village level. To make the campus green and pleasant one of our alumnus donated bore-well unit to meet the water inadequacy. Some of the alumni are elected as public representatives; they help us whenever there are some local problems, they also participate in the governance of the college. Their feed-back is valuable for the administration of the college.

Criterion 6 - Governance, Leadership and Management

6.1 Institutional Vision and Leadership

6.1.1 The governance of the institution is reflective of and in tune with the vision and mission of the institution

Response:

Response: The Nazira College was established to provide higher education to the students of Nazira and its surrounding area. The college is located in semi-urban area and special emphasis is given on providing education to economically weaker section of the society. Majority of our students are from economically weaker family and involved in agriculture and allied work. Absolutely, the nature of governance from higher level to ground level is consisted of faculty members, administrative staff, students, alumni's and the local wellwishers of the institute. All stakeholders of the institute work by keeping students at the center point. It is fully transparent, democratic and all inclusive. Teachers get representations in the key decision-making bodies of the institution. College Governing Body is nominated without conducting election for every five years. In GB teachers, guardians and non-teaching staff members are well represented. Similarly, in IQAC, all the stakeholders also get due representation. In consultation with GB college makes the key policy decisions and considers important proposals for the development of the institution. The vision and mission of the college is uploaded on the website.

In order to implement and achieve the perspective plan, IQAC devised the action/strategic plan for each academic year. The IQAC prepares agenda of the meeting taking matter into consideration. As per the action plan the college governance implements different activity throughout the academic year to fulfill the vision and mission of the college. Therefore the college has been organized various academic activities. By keeping in mind the vision, the college has started Earn and Learn scheme for needy students irrespective of their caste, creed and religion.

Perspective plan of the College:

1. Education:

- To provide quality and value based education to the students
- To increase placement of students.
- Digital literacy among students
- To provide research facilities for both students and teachers

B. Administration:

- Academic audit for reviewing academic performance
- Gender equity in higher education
- Digitalization of the governance of the college
-

C. Infrastructure:

- To facilitate ICT enabled teaching and learning

- To increase intake capacity in the hostels
- To upgrade the central library of the college
- To develop sports infrastructure on the college
- Green campus initiatives

D. Collaboration:

- To collaborate with other institutes for academic works
- To collaborate with Government departments, NGOs for joint activities

E. Social responsibility:

- To undertake outreach activities as a part of institute social responsibility.

6.1.2 The effective leadership is visible in various institutional practices such as decentralization and participative management

Response:

Decentralization:

Institute has a mechanism for delegating authority and providing operational autonomy to all the various functionaries to work towards decentralized governance system.

1. **Principal Level:** The Governing Body delegates all the academic and operational decisions based on policy to the Academic Monitoring Committee headed by the Principal in order to fulfill the vision and mission of the institute. Academic Monitoring Committee formulates common working Procedures and entrusts the implementation with the faculty members.

1. **Faculty Level:** Faculty members are given representation in various committees/cells and allowed to conduct various programs. They are encouraged to develop leadership skills by being in charge of various academic, co-curricular, and extracurricular activities. They are Appointed as coordinator and convener for organizing seminars/workshops/conferences/FDPs. For effective implementation and improvement of the institute following committees are formed. Other units of the institute like sports, library, etc. have operational autonomy under the guidance of the various committees/cells.

2. **Students Level:** Students are empowered to play an active role in co-curricular and extra-curricular activities, NSS, Social services etc.
3. **Participative management:** The institute promotes a culture of participative management by involving the staff and students in various activities. All decisions of the institution are governed by management of facts, information and objectives. Both students and faculties allowed expressing themselves of any suggestions to improve the excellence in any aspect of the Institute. The principal, staff members are involved in defining the policies and procedures, framing guidelines and rules & regulations pertaining to admission, discipline, grievance, & development, and library services etc., and effectively implementing the same to ensure smooth and systematic functioning of the institute.
4. **Operational level :** The GB gives suggestions and monitors the procurement, introduction of new programs and welfare activities. The Principal of the institution is responsible for academic, non-academic and administrative activities of the institution. On behalf of the institution, he interacts and corresponds with Govt. of Assam, UGC, Affiliating University, etc. The budget is earmarked for students to participate in various programmes organized by the institute. All the staff members actively participate in implementing the policies, procedures, and framework designed by the management in order to maintain and achieve the quality standards. Office staff is involved in executing day to day support services for both students and faculties.

5. Academic Monitoring Committee (AMC)

Academic Monitoring Committee is responsible for drafting, regulating and implementing different academic policies. It is meant for smooth & uniform conduction of academics throughout the institute. Academic calendar is prepared by academic Committee.

6. **Outcome:** Meetings are held periodically for discussing different matters. Thus, the institute encourages teachers, students, parents, alumni, staff, and class representatives to share their ideas, opinions, suggestions through proper channels i.e through parent-teacher meet, alumni meet, class teachers meetings, student feedback system, and through other various committee meetings. The inputs received from various stakeholders of the institute are reviewed and those which are in line with our institute's Vision and Mission Statements will be considered by the AMC for the decision making.

6.2 Strategy Development and Deployment

6.2.1 The institutional Strategic / Perspective plan is effectively deployed

Response:

Response:

In line with its vision statement the Institute has developed a perspective plan for its development. The perspective plan has been designed by the institute for the five years. The major objectives included in the perspective plan are accreditation by National bodies and industry institute relationship through MoUs will enhance the activities of Entrepreneurship Development Cell, Faculty exchange program etc..

Academic Plan:

- The principal notifies the academic calendar at the beginning of the year.
- The academic calendar is same for all batches.
- The academic calendar is strictly adhered to by the teachers.
- The calendar includes the schedule for commencement of classes, sessional examinations, practical exams and end semester examinations, Sports week, Students Union Election, Fresher's and College Foundation Day etc.

Teaching and Evaluation plan:

- At the beginning of each semester, lecture plans are prepared by faculty members and strictly followed through the semester.
- The students are informed of the academic plan and examinations through departmental and general notices.
- End Semester Examination schedules are announced by the controller of examinations of affiliating university and Sessional examination schedule is by the institution.
- To maintain transparency, answer scripts of internal tests are shown to the students.
- The final marks of the internal tests are then sent to the controller of examinations through the head of the departments in the prescribed marksheet.
- The concerned teacher prepares the lecture plan.
- On the first day of the class, the teacher explains the course structure and scope of the topics to be covered by the syllabus.
- The plan ensures that the teacher can reschedule a certain missed class.
- The teaching plan ensures control on the total syllabus and its timely completion.

Methods of learning experiences provided to students

- In most theoretical courses, the lecture method is followed.

Lectures are explained on black boards and white boards. Some classes have OHP(Over Head Projectors) /LCD projectors, which forms another convenient medium are to impart instructions.

- Students are encouraged to participate in seminars / conferences and contribute through poster and paper presentations.
- Apart from regular board work in classes, faculty members also adopt various innovative methods for effective teaching in the form of power point presentations, video lectures etc.
- The library has an online catalogue which helps students to browse books of their interest.
- Students can access e-journals and e-books made available by the digital library facility.
- Every department is equipped with laptops and projectors to help students gain access to innovative learning.

- In our institute we consider project work is a very important part of students' learning program, both in the Education and Geography department. Therefore student project work is covering last semester have been made mandatory in the course curriculum.
- Individual projects are undertaken by the students of small groups under the guidance of faculty members.
- **Social Responsibility:**

The college has adopted a nearby village for different extension activities, providing community-specific in skill development training, environmental awareness, awareness regarding women-related issues, health camps, etc.

6.2.2 The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment, service rules and procedures, etc.

Response:

6.2.2

Our College has a well decision making processes. The College has a well structured Governing Body. Decisions made by GB are disseminated by the Principal to all the teaching and non-teaching staff members. Principal works with the four main sections i.e. office administration, academics, training & placement, Extracurricular activities and the auxiliary bodies. The auxiliary bodies work for alumni, anti-ragging, library, purchase and grievance. The Extra-curricular activities sports, magazines, NSS are looked after through students representatives and Teacher representatives. Training and placement is independent department for placement activities. The office is administered through Head Assistant.

Principal: Principal as a head of the administrative and teaching- learning process pays special attention for smooth functioning of administrative and academic activities. Heads of the all departments and Head Assistant helps him in this matter. The college administrative looks into the work related to admission, examination, eligibility, maintaining the daily record, to interact with stake holders, University, Government offices, etc.

Service Rules, Procedures, and Recruitment: The college follows the Rule and regulation Act given by Govt. of Assam, for the recruitment and grievance redressal. The promotion policy of the college follows the PBAS of the UGC for the promotion of the teachers. Under Career Advancement Scheme, at the college level, the API committee helps to the teachers for obtaining the promotion. The college administration accepts the recommendations of the committee, and after receiving the Confidential Reports of the members of non-teaching staff signed by the principal, they get promotion to the higher positions by

the, Director of Higher Education, Govt. of Assam.

Grievance Redressal Mechanism: The college has formed a Grievance Redressal Cell for faculty, Staff and students to address their complaints and grievances to resolve them. The Principal is the head of this cell and other mechanism to deal with it as follows. After receiving grievances and complaints, either in writing or orally, the committee discusses in the meeting and resolves.

There is a separate Anti-Sexual Harassment committee, which object is to prevent cases of harassment and to look into grievances of girl students. Anti-Ragging committee is also formed to work on the cases related to ragging, if any.

INTERNAL QUALITY ASSURANCE CELL (IQAC) :

In pursuance for performance evaluation, assessment and accreditation and quality up-gradation, the Nazira College has established the Internal Quality Assurance Cell (IQAC). Since quality improvement is a continuous process, the IQAC works towards realization of the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for improvement in the overall performance of the institutions.

6.3 Faculty Empowerment Strategies

6.3.1 The institution has effective welfare measures for teaching and non-teaching staff

Response:

Welfare measures taken by the Teachers' Community of Nazira College

Our college has a welfare fund initiated on 18/02/2009 with an aim to extend financial assistance to the economically poor students and the needy teaching and non-teaching staff as well as the people outside the college. There are two welfare schemes for its all-academic and administrative employees. The college teaching and non-teaching staff is automatically becomes eligible as soon as it becomes joins the permanent job. They can also be eligible for govt. health scheme and medical reimbursement scheme for the entire family, as they are permanent employees of the State Government. The contribution of every member is Rs. 5000/- and Rs.20/- per month. Sometimes it is experienced that the resources from welfare fund is not sufficient to assist the people in emergency. In such situations, the teachers unit extends extra financial contribution to fulfil the emergent needs. A few recipients of financial help are shown below.

6.3.5 Institutions Performance Appraisal System for teaching and non-teaching staff

Response:

Response:

Before the end of each last term, it is mandatory for the faculty members to fill and submit the PBAS forms to the IQAC. Then, IQAC, in its concluding meeting of the year considers and forwards the PBAS and API forms for necessary actions. It follows UGC regulations, 2010 and four amendments thereafter. Now, latest regulations of 18th July, 2018 are referred for the promotions of teachers.

The Heads of departments examine the individual self-appraisals and submit their recommendations on the potential areas of improvement of each teacher to the Principal. Then the head adds his own observations and forwards it to the Principal for the final remark. The principal, with his/her remarks forward it to the Director, Higher Education. The college conducts its academic and administrative audits from external agencies, affiliated university, and govt. bodies; therefore, each task is completed with quality performance and documentation by the college. The college had well performed in all these audits. Thus the Institution has Performance Appraisal System for teaching and non-teaching staff which aids in improvisation of the standards of the faculty members.

Performance appraisal:

- Performance appraisal of the teachers has been conducted. The progress and achievements of the teachers are being appraised by the management. Personal interview and appraisal being held with the teachers to share appraisal reports and discuss about their career advancement.
- Performance Appraisal of the faculty is prepared with various parameters which enlighten the efficiency of the faculty to be considered with a score of 100. Performance appraisal contains the Following parameters.
- Examination results, Students Feedback, Interactive teaching approach, Research papers and Journals Publication of articles and books, Participation along with presentation in Conferences/Seminars/Workshops/Faculty development programmes etc. Examination duties

assigned and performed Co Curricular/ Extra Curricular duties assigned by the college.

- Faculty is provided support and guidance for improvement. Guidance to Junior Faculty by the expert senior faculty of the same subject. Every teacher has to submit a self-appraisal form at the time of his/her increment duly forwarded by the HOD. Review of the performance appraisal is made by Principal.

6.5 Internal Quality Assurance System

6.5.1 Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

Response:

Response: The IQAC of the institute was formed in 2005 after the first cycle of assessment and accreditation of NAAC as per guidelines of UGC and NAAC, Bangalore. The IQAC was successfully assessed and accredited by NAAC in 2010 for the 2nd cycle and received 'C' grade. Since the formation of IQAC, it has made all possible endeavours to contribute towards the quality assurance strategies and processes of the institution.

So, Such these initiatives are as follow:

Practice – 1 - Developing Quality Culture among Teachers Since second cycle of the NAAC, 2010, IQAC has been promoting the quality culture in overall activities of the college. It was very clear fact that if we want the outcome based education the quality of teachers should be upgraded. Therefore, every year, in the initial meetings, IQAC takes review of the status of the teachers' research work and performance such as Ph.D. research publication, MRPs, Research Guidance, Seminar participation and organization etc.. The IQAC encouraged majority of the teachers to register for the Ph.D. and submit more and more research proposals to the various funding agencies. One teachers became the recognized Ph.D. supervisor. Now, the college has five teachers and One Librarian with Ph. D. Interestingly enough, more than Six teachers have awarded the Minor Research Projects from the UGC. Two international Seminar on Tai Cultural Convergence beyond the Border, Dated 9th March 2019 and Basic of Academic Writing with special Reference to Assamese literature, Dated 27/08/2020, Two national levels seminars on Contribution of Syed Abdul Malik to Assamese literature and Rural Nonfarm Employment in North East India, Two national workshop on Micro Teaching for better Teacher and Role of ICT in Higher Education. Besides these three state level seminars and one FDR were organized by the college which is sponsored by the UGC.

Following are the major contribution of IQAC:

- Constituted new cells/bodies and committees to operationalise the quality related programs.
- Paperless communication Eco-sensitivity within the campus.
- Outreach programs like Maitree Ek Gyan Yatra, MoU with neighbouring institutes.
- Circulation of notices and orders of UGC, affiliating University, Director of Higher Education and Research Funding Agencies, Adoption of a village under the institute.
- Encouragement to attend the Refresher Course and Orientation Programs.
- Circulate the information to attend the seminar, workshop, symposia and conference.
- Organize seminar, workshop, popular talk and conference in the Institute for faculties, staff and students.
- Organizes national festivals and important days (national/international) in the institute.
- Organizes birth/ death anniversaries of great Indian personalities.
- Constitution , Ranger club, Women Cell, Introduction of Soft Skill Development Program.

Response:

Response:

1. Teaching and learning process reviews:

The IQAC of the college is very attentive to review the teaching and learning process of the institution periodically i.e., after per semester to maintain the standards of teaching and learning. The IQAC of the college organises staff meeting, head of the departments' meeting, students feedbacks etc., to review the teaching-learning process.

1. Structure and methodologies of operations and learning outcomes at periodic intervals:

The structure and methodologies of operations and learning outcomes at periodic intervals are mentioned below

Sl No	Structure and methodologies	Details
1	Internal Semester Monitoring Cell	The college has formed ISMC to evaluate timely conduct examinations among the departments, semester results of the curricular activities of the assigned courses like the seminar, micro teaching etc.
2	Students Feedback	In each academic year, the IQAC provides feedback form to students very confidentially, collects the data and takes necessary action on the basis of data.
3	Semester wise Results Analysis	The IQAC of the college analyses the end semester results in all semester.
4	Teaching Plan Evaluation	The IQAC frequently evaluates the teaching plans of the college for the effectiveness of the same.
5	Academic Committee	Moreover, Academic Committee reviews timely completion of syllabus guidelines and takes necessary action, if needed.

Example: 1

Sl No	Nature of Meeting	Date and Year	Remarks
1	ISMC meeting	19/02/2015	Decision taken on Sessional examination. The meeting reviewed the attendance of the teachers in the college.
2	HoD meeting	02/01/2016	The meeting reviewed the terminal examination and decided to maintain the standard of the examination. The meeting also reviewed class routine.
3	HoD Meeting	09/03/2016	The meeting reviewed Sessional examination of the students.
4	HoD Meeting	18/04/2018	The meeting reviewed the timing of the teachers and decided to maintain their daily class routine.

Example: 2

Sl No	Teaching Learning	Description
1	Book Bank	Majority of the students in the college are from poor families. By keeping a Book Bank, IQAC implements Book Bank facility to those students.
2	e-journals	In recent days e-resources are considered most important to uplift teaching and learning in any educational institution. Therefore, IQAC has facilitated e-journals and to the students in the websites of the college.

Criterion 7 - Institutional Values and Best Practices

7.1 Institutional Values and Social Responsibilities

7.1.1 Measures initiated by the Institution for the promotion of gender equity during the last five years.

Response:

7.1.1

Measures initiated by the Institution for the promotion of gender equity during the last five years.
Response:

1. Safety and Security: The college is very keen regarding safety and security of the girl students and women faculty members and staff. The following practices are done in this regards. Entire campus of the College is bordered by concrete walls for safety of the college community. Outsiders are not allowed to enter the campus without prior permission of the Principal. Students use smart ID cards all times and outsiders are checked by the security staff. The college offers free admission to the economically weaker students. The college has disciplinary committee for continuous monitoring the security within the campus. The complaints related to the violation of disciplines are reported to the concerned staff and placed before the Principal and the members of the discipline committee. The complaints can be provided directly to the concerned authority, grievance redressal box or in portals meant for the same. The confidence building is done by organizing workshops and programs on use of sophisticated gadgets for girl students. The college campus is fully covered with sufficient light. The college has Sexual Harassment committee to take necessary action on sensitive issues of the girl students which helps to ensure their vibrant presence. The entire campus is monitored through CCTV cameras. The footages of the recording are often observed and necessary actions are taken, if any suspicious activity is observed, by the Principal. The internal complaint committee is set up as per the UGC guidelines. The college staff has assigned campus supervision to maintain discipline in the campus. The college has adopted mentor mentee scheme to solve the students individual problems both academic and personal. The staff members strive to solve all kinds of problems of the students. College organizes lectures through eminent personalities to create legal awareness, health and hygiene among the students. College has a separate Girls' Common Room.

b) Counseling: Women cell of the college organizes all important activities associated with the counseling of the students. Formal and informal counseling is done in the college. The faculty members and staff members motivate the students to improve their overall personality by participating in various activities organized by the college. The college always inspire the students of weaker section to come to the main stream of the society. The college has mentor mentee scheme, which recommends majority of the mentors to select a mentee especially from the disadvantaged and vulnerable category of the girl students. In the scheme the mentor follows the development of the mentee by providing personal counseling at the different stages regularly. The personal problems of the girl students discussed within the committee are kept confidential.

c) Common Room: The institution has provided separate common rooms for both boys and girls. College has girls hostel for the accommodation of remote students with essential amenities.

7.1.3 Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 500 words)

- Solid waste management
- Liquid waste management
- Biomedical waste management
- E-waste management
- Waste recycling system
- Hazardous chemicals and radioactive waste management

Response:

7.1.3

Response:

Solid Waste Management:

The college campus adopts solid waste management treatments to restrict the pollution. Segregated wastes are dumped in the particular dustbins of Green, Blue and Yellow colours available in various corners of the college campus

1. The Green-colored dustbins are meant for disposal of wet and biodegradable wastes.
2. Blue dustbins are meant for disposal of plastic wrappers and non- biodegradable wastes.
3. Yellow dustbins are meant for papers and bottles .

Cleaning or emptying of the dustbins is being done on a regular basis at 10:00 to 11am and 3:00 pm every day.

The institute is on the verge of becoming paperless as most of the documents, forms, payments on dues have been shifted to totally on online mode. Most of the official communication and correspondence is done by email, social media and via the college website. All classrooms and departments are provided dustbins, garbage box etc. The college gives top priority to keep the campus clean. The faculty members and students are regularly advised to reduce waste. Students are motivated to dump waste in separate bins and meaningful slogans are displayed to bring environmental consciousness amongst the stakeholders. The old question papers, magazines and other teaching-learning materials can be retrieved and download from the libraries Web OPAC.

•**E-waste Management: E-waste management:** In our college, there is a simple process of e-waste management. There is a committee for e- waste management in the college. The committee members monitor the status of E–waste in the campus. According suggestion the committee, the non-working computers, monitors, printers and batteries etc. are sold following the rules of purchase committee. At the end-of computers useful life, they are collected from different locations of the campus by designated technicians and sent to the college computer center. At the center, the computers are sometimes repaired and reused. All the sold materials are then ruled out from dead stock register for future records for safe recycling. The damaged are inspected by the committee and it’s open for disposal through contractors or vendors by paying appropriate cost. The college is planning to create an ‘E-Museum’, for future study and research. It will certainly help the students to realize the internal structure of computer and other devices. The college has set up sanitary napkin vending machine with destroyer placed in washrooms for incineration of used napkins to keep the hygiene of the washrooms used by the girl students.

Liquid waste management: Liquid waste generated mainly from canteen, and washrooms is segregated and disinfected and let out as effluent into a common drainage facility.

The volunteer friends of NSS unit of the college have been actively participated in the college beatification programmed since its inception.

7.1.8 Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 500 words).

Response:

7.1.8

Response: This is the only college in this area. Most of the students taking admission in the college belong to the nearby villages. As per government rules, the admission process is carried out. Enough care is taken for specific earmarked seats for each category are filled up. The statutory committees of the college are well balanced with the representation of each category. We feel praiseworthy by involving nearby citizen's participation in our extension activities. We involve most of the GOs and NGOs like : SDO Civil office, Nazira Municipal Board, Sub Divisional Court, Nazira Sub Divisional Library, Post-office, Govt. Hospital,

Rural Libraries, Prabah, Asom Sahitya Sabha , ONGC, Nazira Press Club, etc. Our college has been actively participating all the national and state integration programmes, developmental activities, national festivals, awareness rallies, and government campaigns etc.regularly. The hoardings of such activities like : environmental awareness, Right to vote, health issues, social harmony, unity and values are displayed in the college campus. The college plays pivotal role of in the area of peace and national integration. The college regularly organizes different activities for inculcating the values of tolerance, harmony towards cultural diversities. Our college belongs to the semi urban background and its activities have a very positive impact on the society. The socio-economic condition of the area is different from rest of the country. Most of the students admitted in our college are belonging to very poor family background. The students are inculcated with the tolerance and harmony about cultural regional, linguistic communal socio-economic and other diversities by arranging experts lectures on such issues regularly. To maintain the linguistic and cultural importance Department of Assamese celebrates various activities such as ‘Matribhasa Diwas”, Popular Talks on Syed Abdul Malik, Lakhminath Bezboruah, Jyoti Prasad Agarwala, Bishnu Rabha, Dr. Bhupen Hazarika, Talks on Local languages, ‘Kabisandhi’, in collaboration with Sahitya Academy etc. Beside these different awareness programs are organized such as ‘**Voters awareness Program**’ in collaboration with Sub-divisional administration, Nazira, awareness program on use of drinking water, use of sanitary napkin, Open Depiction, Aids Awareness program, Eye Donation Camp, Flood Relief Camp, Drug addiction, Awareness program on Menstruation etc. Thus, the college has created very positive image for all the communities and they donate and help the college in the developmental activities. Apart from the organizing Librarians day in the college campus we observed it in Sub divisional or rural libraries every year in 12th August to cater reading habit in the community.

7.1.9 Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens (within 500 words).

Response:

7.1.9

Response: The institute is a role model of best governance and democracy. Not only the students and employees but also every citizen of the locality respects the institution for its contribution to social development. The fundamental duties and rights, National Anthem etc. are clearly displayed in the college campus. It reflects the strong attachment of the students, employees and the citizens towards the values of Indian Constitution. Our institution arranged number of programmes covering freedom of expression through which the students can get courage to express their views. Many of our teachers deliver lectures on the constitutional obligations, national unity and social harmony in the college and in nearby public meetings. We observe 15th August as Independence Day, 2nd October as Gandhi Jayanti, 31 st October as Rastriya Acta Divas, 26th November as ‘Constitution Day’, 12th January, Birthday of Swami Bibekanand

as National Youth Day, 25th January as Voters Day, 26th January as Republic Day, 19th November as National integration Day ,12th August as Dr. S.R. Ranganathan's Birth Day etc. each year in our institution. Various types of activities have been arranged to make these special days meaningful. Popular talks of eminent speakers are organized on those days to reiterate the significance of the constitution of India. The college organizes massive rally throughout the town to spread the message of 'Social Equality'. The Dept. of Political Science organized 'Mock Parliament' in every year to realize students about the significance of the structure of local self government.

7.2 Best Practices

7.2.1 Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Response:

7.2.1

Response:

Best Practices (1)

1. Title of the practice: SELF DEFENCE PROGRAM FOR GIRL STUDENTS:

2. OBJECTIVE OF THE PRACTICE: The goals of this practice are:

1. To teach self-defense skill to the girl students.
2. To create confidence among girl students.

3.THE CONTEXT: About half of the total population is women in our country. Women are still considered and treated as inferior to men in walks of life in society. The low status of women is evident from the fact that rarely any parents prefer to have girls' students'. Present statistics reveals the growing crime rate against women in society. The changes in personal lifestyle and living standard contribute to violent attitude and tendencies towards women and witness an increase in crime against women in the society. There are different provisions to safeguards to the women in our society. Despite all these, the women in our country continue to suffer in different parts of the country. Therefore, self-defence is relevant for girls in the society.

4. THE PRACTICE: The present statistics reveals the growing crime rate against women in society. The changes in personal lifestyle and living standard contribute to violent attitude and tendencies towards women and witness an increase in crime against women in the society. There are different provisions to safeguards to the women in our society. Despite all these, the women in our country continue to suffer in different parts of the country. Therefore, self-defence is relevant for girls in the society. Women cell in the college have taken the different initiative to safeguard the girl students inside and outside the college. A self-defence programme was organized in the college for the greater interest of the girl students.

Evidence of success: The programme is very relevant for the girl students. Self Defence for Girls – one of the skilled based programme was organized by Women Cell of Nazira College on 26-3-2016. The primary objective of the programme is to provide a suitable academic environment for the girl students of the college. Considering the importance, total 150 girl students have participated in the programme. About 10 teachers and 50 girl students were attended in the programme. In the college campus, the girls' student is fully secured. Sometimes, the security problems are raised in the outside the campus of the college. The resource persons of the programme learned the students in different techniques of self-defence. They pointed out the meeting that the questions of self-defence are not only relevant for girls, but it is also essential for boy students. The students were satisfied to participate in the Self Defence programme. Another programme for self-defence for girls was scheduled on 22-2-2017 in the college. The number of students was increased in the programme. All total 190 girls student participated in the programme. The

students requested the convenor to organize again in such a programme in the college. Problem encountered and resource required: The primary problem encountered is that there is a lack of resource persons in the near areas of the college. There are lack of the awareness programme in this regard of the society. Most of the students come to the college from rural and remote areas. They think that in such a programme is necessary for the urban areas students. Because most of the crimes are taken place in urban areas. In spite of this, in such a programme is essential and creates more confidence among girls student for the day to day life.

Best Practices (2)

1. Title of the practice:

NSS SPECIAL CAMP: NOT ME BUT YOU.

2. OBJECTIVE OF THE PRACTICE:

- i) To provide the opportunity to the students to participate in community works.
- ii) To address the different issues of nearby community and to find out solutions.

3. THE CONTEXT:

Community participation and extension activity is necessary for inclusive development. To uplift the nearby rural community and as a part of institute social responsibility, the college has included Community participation and extension activities in its Perspective Plans. The college is performing several extension works in different fields by engaging students and faculty members. As an active committee/unit/body of the college, NSS unit has been organizing one-week special camps every year in the local community. The aim of the NSS special camp is to educate and aware the people and empower them. With this motto, the NSS unit of Nazira College comprising of about 76 students has organized a special camp from 16th to 22nd February, 2018 in **Hen Ali village** near Bauli Maidam of Nazira Subdivision, Sivasagar District, Assam. The camp was conducted under the supervision of college management and NSS Program Officer Mr. Jyoti Ranjan Mili, Assistant Professor, Department of Assamese, Nazira College.
