Activity Report on the Seminar Entitled “Environment Pollution and its impact on Human Life”

A Seminar on the topic ‘Environment pollution and its impact on Human Life’ was organized by the Department of Geography, Nazira College, Nazira on 12th December, 2021. The Resource person for the seminar was Smt. Sujata Borthakur, Associate Professor, Department of Mathematics, Nazira College. The Resource person in her address elaborated and explained the causes, impacts of pollutions and points out some policies for mitigation of pollution very meticulously to the students.

The seminar was chaired by the Principal of Nazira College, Dr. Raju Phukan and hosted by Dr. Ajit Chandra Borah, Faculty of Geography Department. Ten (10) no. of Research Papers on different sub-theme were presented by the students of the College and neighbouring colleges. After presentation of papers by the students a brief interaction & discussion session was conducted.

In the valedictory session, Jugal Bharali, Vice Principal, Nazira College, Nazira offers his views on overall situation of Assam in the present context of Global Environmental Situation. Sri Gajen Sarmah, Faculty member, Geography offers vote of thanks to all the participants and the seminar was concluded.
